

# EXPRESS TIME TRACKER

CLOUD BASED  
TIME & ATTENDANCE SOLUTION

Real Time Data Collection

Express Time Tracker is a cloud based time and attendance system designed for employees to clock in and out via a tablet device supplied in a secure lockable hard case cover directly mounted to your wall.

Buddy punching has now become a thing of the past as the system takes employees photographs.

The system reports and calculates employee hours in real time with all your data secure in our simple to use software which can be accessed from any desktop computer anywhere anytime!
